Dear Fred,

We of WCSR are sorry that WMS could not make that last minute invitation to come broadcast for an evening at Smith. We'd like to give you a raincheck on that though after the vacation has seen us all through.

Would Friday evening, January 13th suit you? If so let us know and we can arrange for a program then. We broadcast from 5-6 in the afternoons and 7-11 in the evenings. If you can fit in the 5-6 show all the better.

Should this date be O.K. with WMS for now, we can work out the details later.

Looking forward to seeing you then.

Sincerely,

Patricia A. Ivins
Executive Secretary
